1 WHAT IS THE WORK & HOLIDAY VISA (SUBCLASS 462)?

The **Work and Holiday visa (Subclass 462)** allows young Indian adults to **live, work, and travel in Australia for up to 12 months**. Holders can legally work with *any* employer — funding their stay through real employment. Different from Subclass 417 (Working Holiday), which covers different nationalities. Because Indian demand far exceeds the **annual cap of 1,000 places**, DoHA runs a **pre-application ballot (lottery)**. Only randomly selected applicants receive an **Invitation to Apply (ITA)** and then have **60 days** to lodge the full application. **Selection is NOT guaranteed — counsel every client accordingly.**

6 CRITICAL POINTS FOR COUNSELORS

■ Lottery — No Guarantees

This is a random draw. Only 1,000 selected from thousands of Indian registrations. Set realistic expectations upfront with every client.

■ PAN Card — Not Aadhaar

Australia requires PAN Card for Indian applicants at ballot — NOT Aadhaar. Non-negotiable. Verify client has PAN Card before proceeding.

■ 60-Day ITA Window

Once ITA received, client has exactly 60 days to lodge the complete application. Monitor emails. Counsel clients to check spam folders.

■ Age at Ballot Registration

Age cut-off 18–30 applies at ballot registration — not at visa lodgement. Client turning 31 before June 25 cannot register. Check DOB first.

■ Online Only — ImmiAccount

Entire process is online via Australian Govt ImmiAccount. No physical applications. Assist all clients in setting up their ImmiAccount.

■ One Subclass 462 Per Lifetime

Client who previously held any Subclass 462 is permanently ineligible. Prior Subclass 417 holders may still be eligible for 462.

8 COMMON CLIENT QUESTIONS & ANSWERS

Q: Can I apply if currently on a student or tourist visa?

A: Yes — register from anywhere. The visa is typically granted for applicants outside Australia. Confirm individual circumstances at application stage.

Q: Is ■20,000 refundable if I am not selected?

A: No. ■20,000 is non-refundable as it covers services rendered. The remaining ■40,000 is charged only upon receipt of ITA.

Q: What if I turn 31 between registration and ITA?

A: You are fine — the age requirement applies at ballot registration only, not at ITA receipt or visa application lodgement date.

Q: Can I extend this visa or convert it to PR?

A: The 462 visa cannot be extended or converted directly to PR. Australian work experience can strengthen future skilled migration applications.

Q: How long does DoHA take after lodging the full application?

A: Typically 4–8 weeks for straightforward applications. Health checks and police clearances can extend this. Check DoHA website for current timeframes.

Q: Can my partner/spouse register separately?

A: Yes. Each individual registers independently and pays AUD 25 separately. Each has their own independent chance in the random draw.

Q: Can I work with any employer in Australia?

A: Yes, but max 6 months with any single employer. No sector restrictions. Can change employers freely after the 6-month limit.

Q: When will I know if I have been selected?

A: Selection runs July 2, 2026 through April 30, 2027. ITAs sent in batches — no single announcement date. Check ImmiAccount regularly.

Q: Do I need an IELTS score for the ballot?

A: Not at ballot stage. If selected, DoHA may request English proficiency at application stage. Advise clients to have IELTS/PTE scores ready.

Q: What if the ballot closes before I complete registration?

A: Portal closes strictly June 25. No exceptions. Late registrations not accepted. Next cycle expected in mid-2027.
